curative

Tackle your Type 2 Diabetes.

Get connected with Curative's Type 2 Diabetes program. We'll help give you the tools and resources needed to take control of your diabetes.

By enrolling in Curative's Type 2 Diabetes Program, you'll get:

One-on-one support and check-ins from our care team to monitor numbers and go over concerns.

Recommendations based on your individual needs along with personalized goals.

In-depth look into your current treatment plan.

Help connecting you with a registered dietician for a nutrition plan that's right for you.

How it works

- Attend your Baseline Visit within 120 days of enrollment or contact Member Services
- If you qualify, onboarding and enrollment info will be shared
- Once enrolled, we'll coordinate check-ins around your schedule to get you on track with your diabetes
