curative | AUDICUS

You heard it here: Audicus Hearing Aids for $0*

With Curative, members can receive hearing aids through Audicus for $0*. It's easier than going through your doctor because a prior authorization is not required.

Why choose Audicus?

- **High-quality hearing aids:** Audicus is an industry leader in providing high-tech hearing aids to the millions of Americans living with hearing loss.
- **Convenient care from home:** 5-star telehealth audiology service with accessible appointments that incorporate the latest technology to fit a hearing aid to you.
- **End-to-end support:** Expert support with set up and lifetime audiology care for free.

Questions? Reach out to Member Services at 855-428-7284

**Every Curative member can qualify for the $0 deductible or copay for in-network care and preferred prescriptions. Just complete a Baseline Visit in your first 120 days of plan effective date. See curative.com to learn more.*

How it works

1. Submit the Audicus intake form, available at: audicus.com/curative
2. A member from the Audicus Audiology team will reach out to you within two business days to begin your hearing consultation
3. An Audicus Hearing Specialist will instruct you on how to complete a hearing test or send in a hearing test if you already have one
4. An Audicus Hearing Specialist will help you to find the hearing aid that is right for you
5. When ready, payments are made easily with your Curative Zero Card, found on your member portal or your physical card. Please reach out to Member Services at 855-428-7284 to "Unlock" your card prior to purchase
6. Receive your customized hearing aids in the mail within 3 – 5 days

To find additional in-network hearing aid providers, go to curative.com/get-care for a doctor near you.
